

Thank you for considering our 2nd Annual Golf Tournament!

The proceeds from this event

will benefit Youth and Children's ministries in our area. We will be able to send many students who need assistance to a dynamic Youth Camp here in West Central Florida.

We will also assist 150+ students in the community by providing backpacks and supplies for the upcoming school year.

In addition, many other youth and children's ministries will be supported by your partnership from this golf event.
