It's time to register to join us for a fun afternoon of fellowship and fundraising. This year our efforts are going towards a **new roof in the Child Development Center**. Funds will also go to assist our school and its students by contributing to the general scholarship fund. We have amazing sponsors already signed up and looking for more to make this fundraiser a success! We hope you can join us as a playing participant or offer some support via one of our sponsorship packages. Our students appreciate your help.
